

TALENT ENGINEERING COMPANY

From Conception To Completion

We Are Committed To Quality

WHO WE ARE ?

Talent Engineering is an Egyptian registered company formed as a shareholder company providing comprehensive engineering services.

Talent Engineering Company has one main office in Cairo, Egypt and Two overseas branches in Ras Al- Khaima, UAE and Doha, Qatar.

Since 1999, we have long successful track record in creating many success stories for clients in different parts of the world. Though we had started with a modest set-up and a handful of staff, we have consistently expanded, increasing our revenue, resources and staff.

Through using our Talents, we save clients engineering effort, satisfy our employees and provide work opportunities.

We believe in simple and transparent approaches. Integrity and trustworthiness defines our Company.

Our Mission

Through using our Talents, we save client's engineering effort, satisfy our employees and provide work opportunities.

Our Vision

A multiple discipline engineering firm is our target while covering each, every aspect in each discipline is our dream and finally will be proud to see the logo of "  " mounted on top of the largest multi-disciple projects all over the middle east and north Africa.

Our Core Values

- Total quality management.
- Client satisfaction.
- Accuracy & efficiency.
- Integrity and transparency.
- Quick customer service.
- Confidentiality and security.

WHAT WE DO ?

Talent Design:

- Architectural Design
- Interior Design
- Structural Analysis and Design
- Electrical Design
- Mechanical Design
- BIM Services
- Value Engineering

Talent Detailing:

- Complete coordination between all Disciplines
- Architectural Shop Drawing
- Structural Shop Drawing
- Electrical Shop Drawing
- Mechanical Shop Drawing

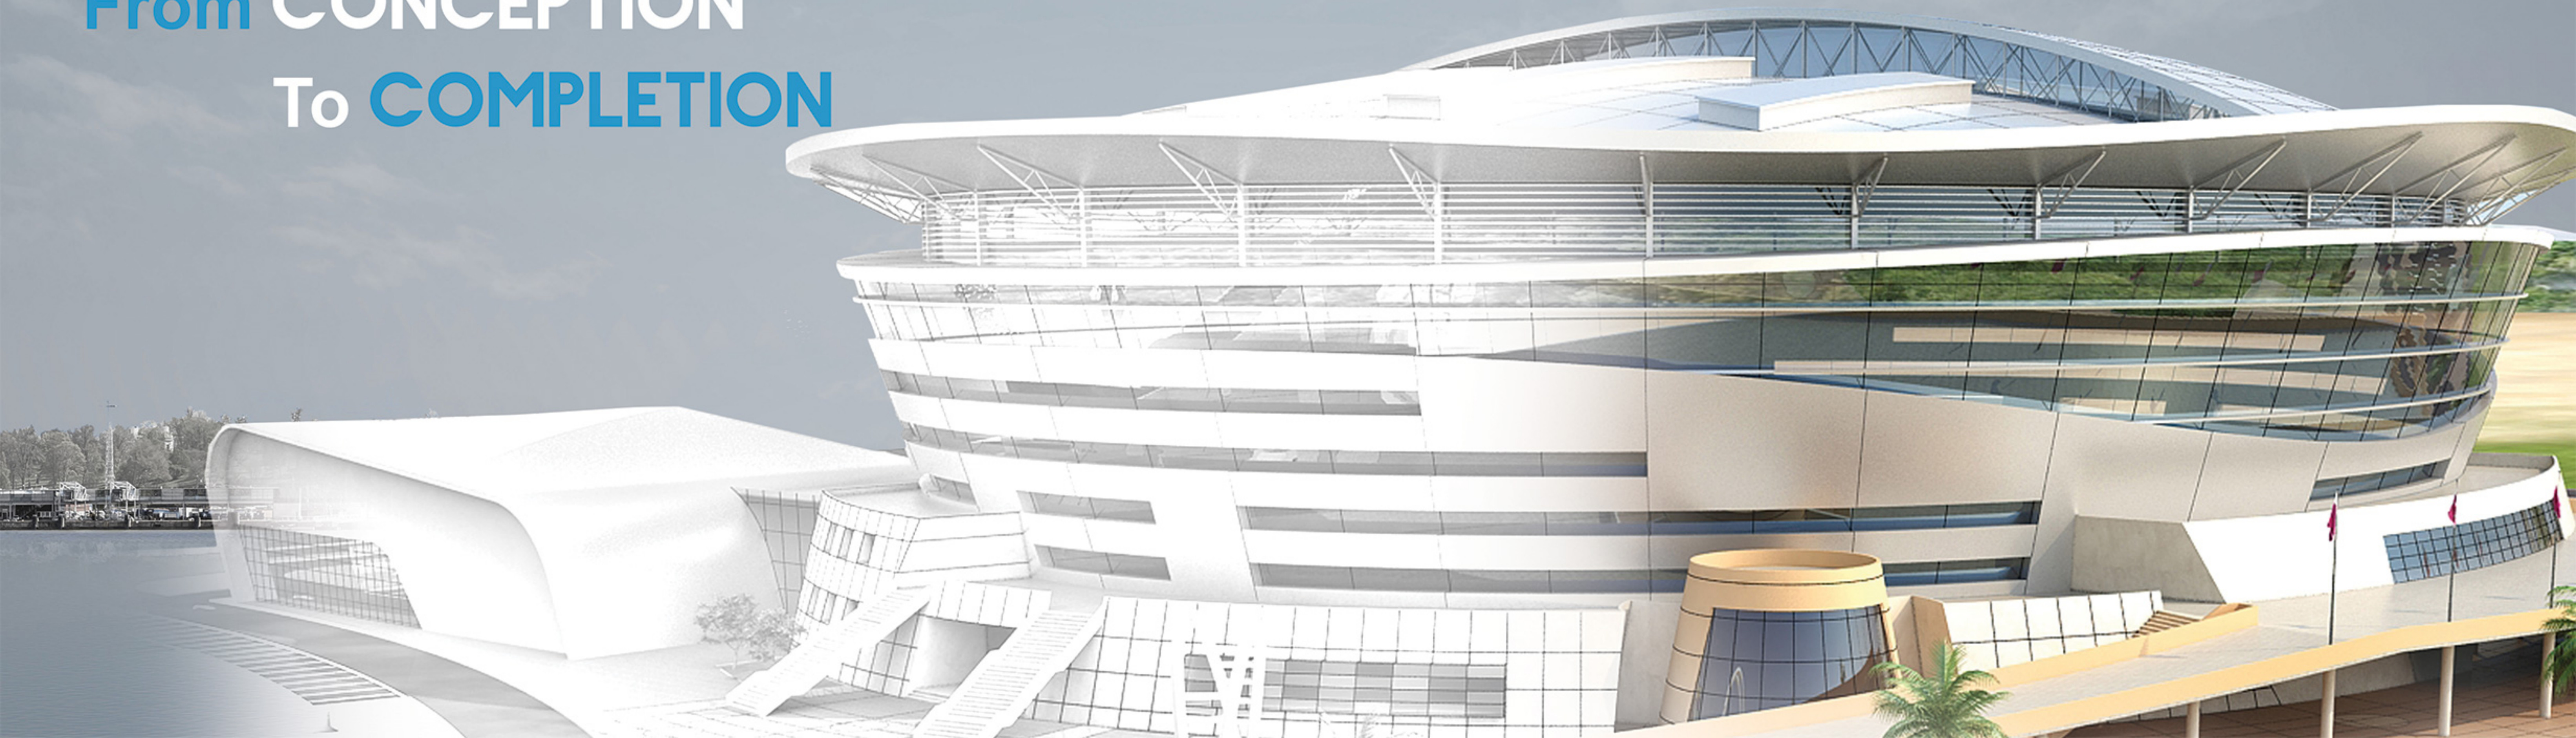

HOW WE DO IT ?

- Familiarity with international design codes and standards
- Access to advanced technology assets
- Latest version of design software
- Latest version of drawing software
- Services from experts – highly trained and experienced engineers

WHY US ?

- Fully coordinated engineering services
- Guarantee of maximum accuracy
- Greater productivity
- High quality services from the leaders in their fields
- Extensive domain experience 300+ projects
- Experience and ability to establish and understand client requirements, organize and manage them successfully from inception to project close
- Outstanding proven track record
- Experienced individuals with real concern to achieve quality results
- Competitive fee, relative to service offered and proportion to overall budget

From CONCEPTION
To COMPLETION

Infrastructure

- Water Treatment Plants
- Water Desalination Plants
- Wastewater Treatment Plants
- Power Plants
- Cooling Plants
- Metro and Light Rail
- Airports
- Ports, Barrages and Dams
- Roads, Highways, Bridges & Tunnels
- Underground Car Parks

Middle Egypt Water and Waste Water Treatment Plant

(Fayoum, Menia & Beni Suef, Egypt)

Design Coordination and Shop Drawings

Owner: Egyptian Government

Consultant: Earth Tech Consultants

Contractor: ABB SUSA (Talent's Client)

Kuraymat Power Plant

(Kuraymat, Egypt)

Design Coordination and Shop Drawings

Owner: New & Renewable Energy Authority (NREA)

Consultant: IBERDROLA

Contractor: Orascom Construction Industries, OCI (Talent's Client)

Greater Cairo Waste Water Treatment Plant

(El Gabal El Asfar, Egypt)

Design Coordination and Shop Drawings

Owner: Egyptian Government

Consultant: AXOR GROUP / CIVIC / ACE (Talent's Client)

Contractor: DEGREMONT / Arab Contractors

Abu Dhabi Int'l Airport Tunnels

(Abu Dhabi, UAE)

Design Coordination and Shop Drawings

Owner: Dubai International Airport

Consultant: Parsons / NACO Netherlands Airport Consultants

Contractor: Al Jaber Transport Company (Talent's Client)

New Assiut Barrage and Hydropower Plant

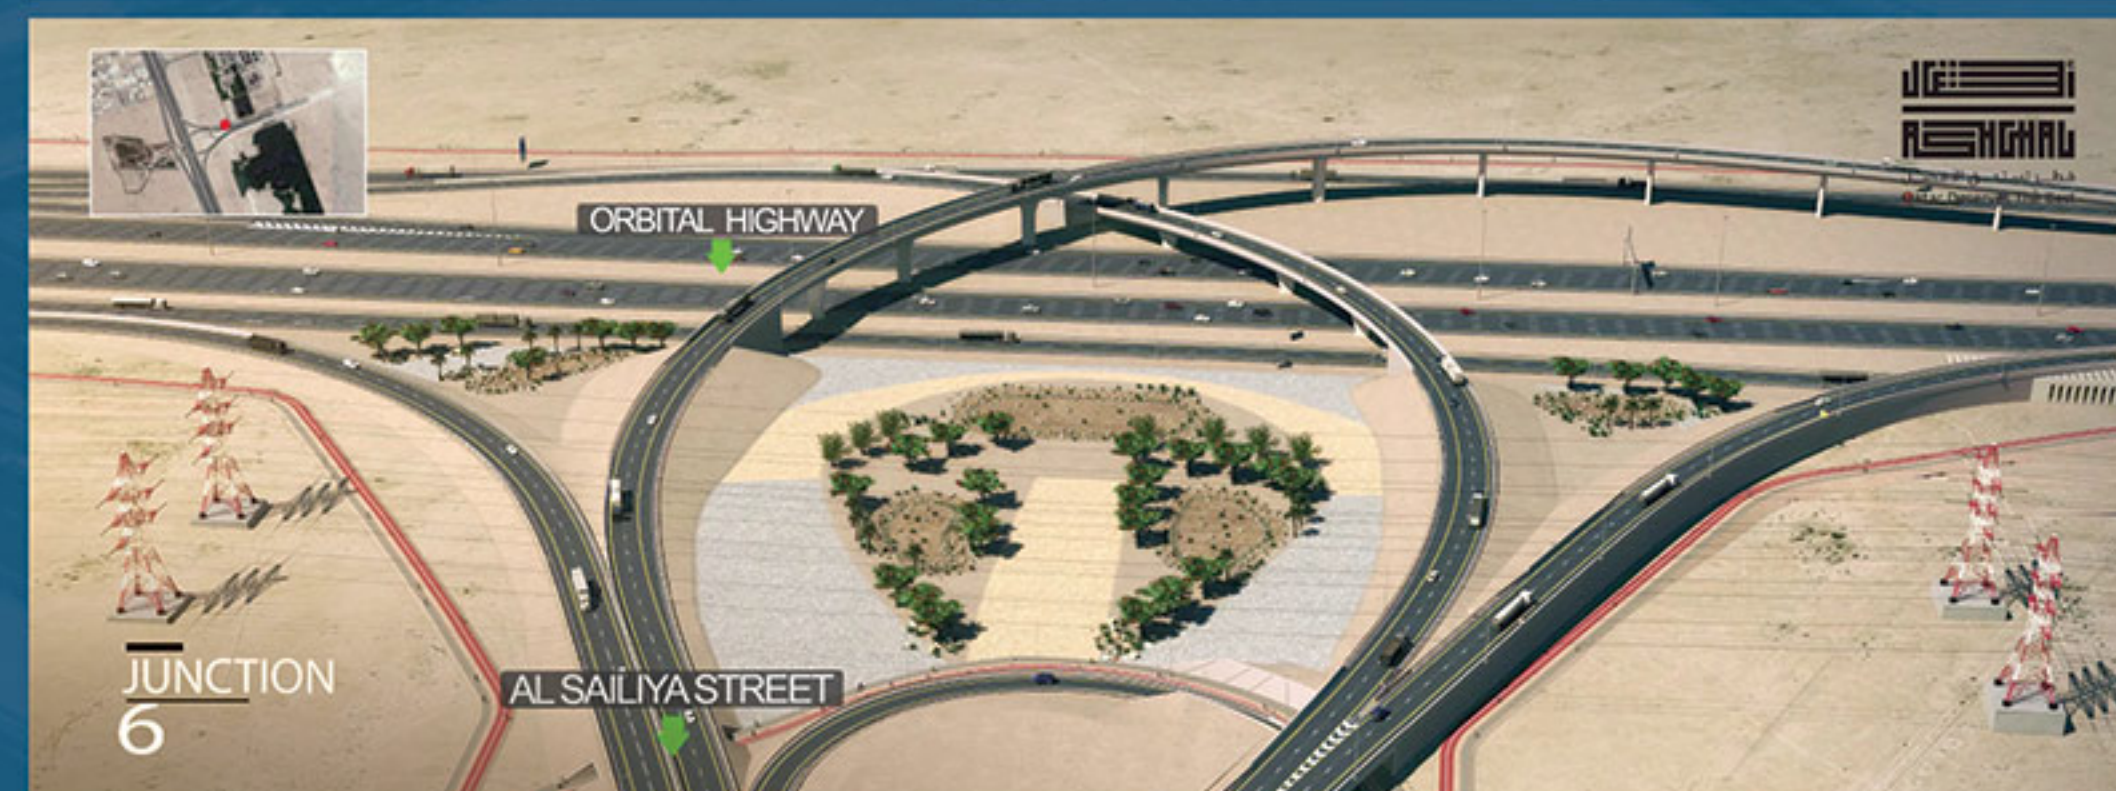

(Assiut, Egypt)

Design Coordination and Shop Drawings

Owner: Ministry Of Water Resources and Irrigation

Consultant: Assiut Barrage Development Consultants

Contractor: VINCI (Talent's Client)

New Orbital Highway

(Doha, Qatar)

Coordination and Detailing

Owner: Ashghal Qatar

Consultant: Hayder and AECOM

Contractor: QDVC/Bin Omran JV (Talent's Client)

Jabel Ali Sewage Treatment Plant

(Dubai, UAE)

Design Coordination and Shop Drawings
Owner: Dubai Municipality
Consultant: MWH
Contractor: Al Ahmadiyah / Aktor JV (Talent's Client)

Rabigh Power Station

(Rabigh, KSA)

Design Coordination and Shop Drawings
Owner: Rabigh Arabian Water Company
Consultant: Mitsubishi Heavy Industries
Contractor: Consolidated Contractors Company, CCC (Talent's Client)

Abu Dhabi Int'l Airport Midfield

(Abu Dhabi, UAE)

Precast Detailing (Basic and Fabrication drawings)

Owner: Abu Dhabi Airports Company

Consultant: KPF Kohn Pedersen Fox Associates

Contractor: Arabtec (Talent's Client)

Inspection Area and Toll Station

(Cairo, Egypt)

Design (Structure)

Owner: General Authority for Roads, Bridges and Land Transport

Consultant: Arab Consulting Engineers, ACE (Talent's Client)

Contractor: N/A

Sheraton Park

(Doha, Qatar)

Design Coordination and Shop Drawings

Owner: Qatari Diar

Consultant: Qatar Design Consortium / Atkins

Contractor: Qatari Diar / VINCI JV, QDVC (Talent's Client)

King Abdulaziz International Airport – Tunnels

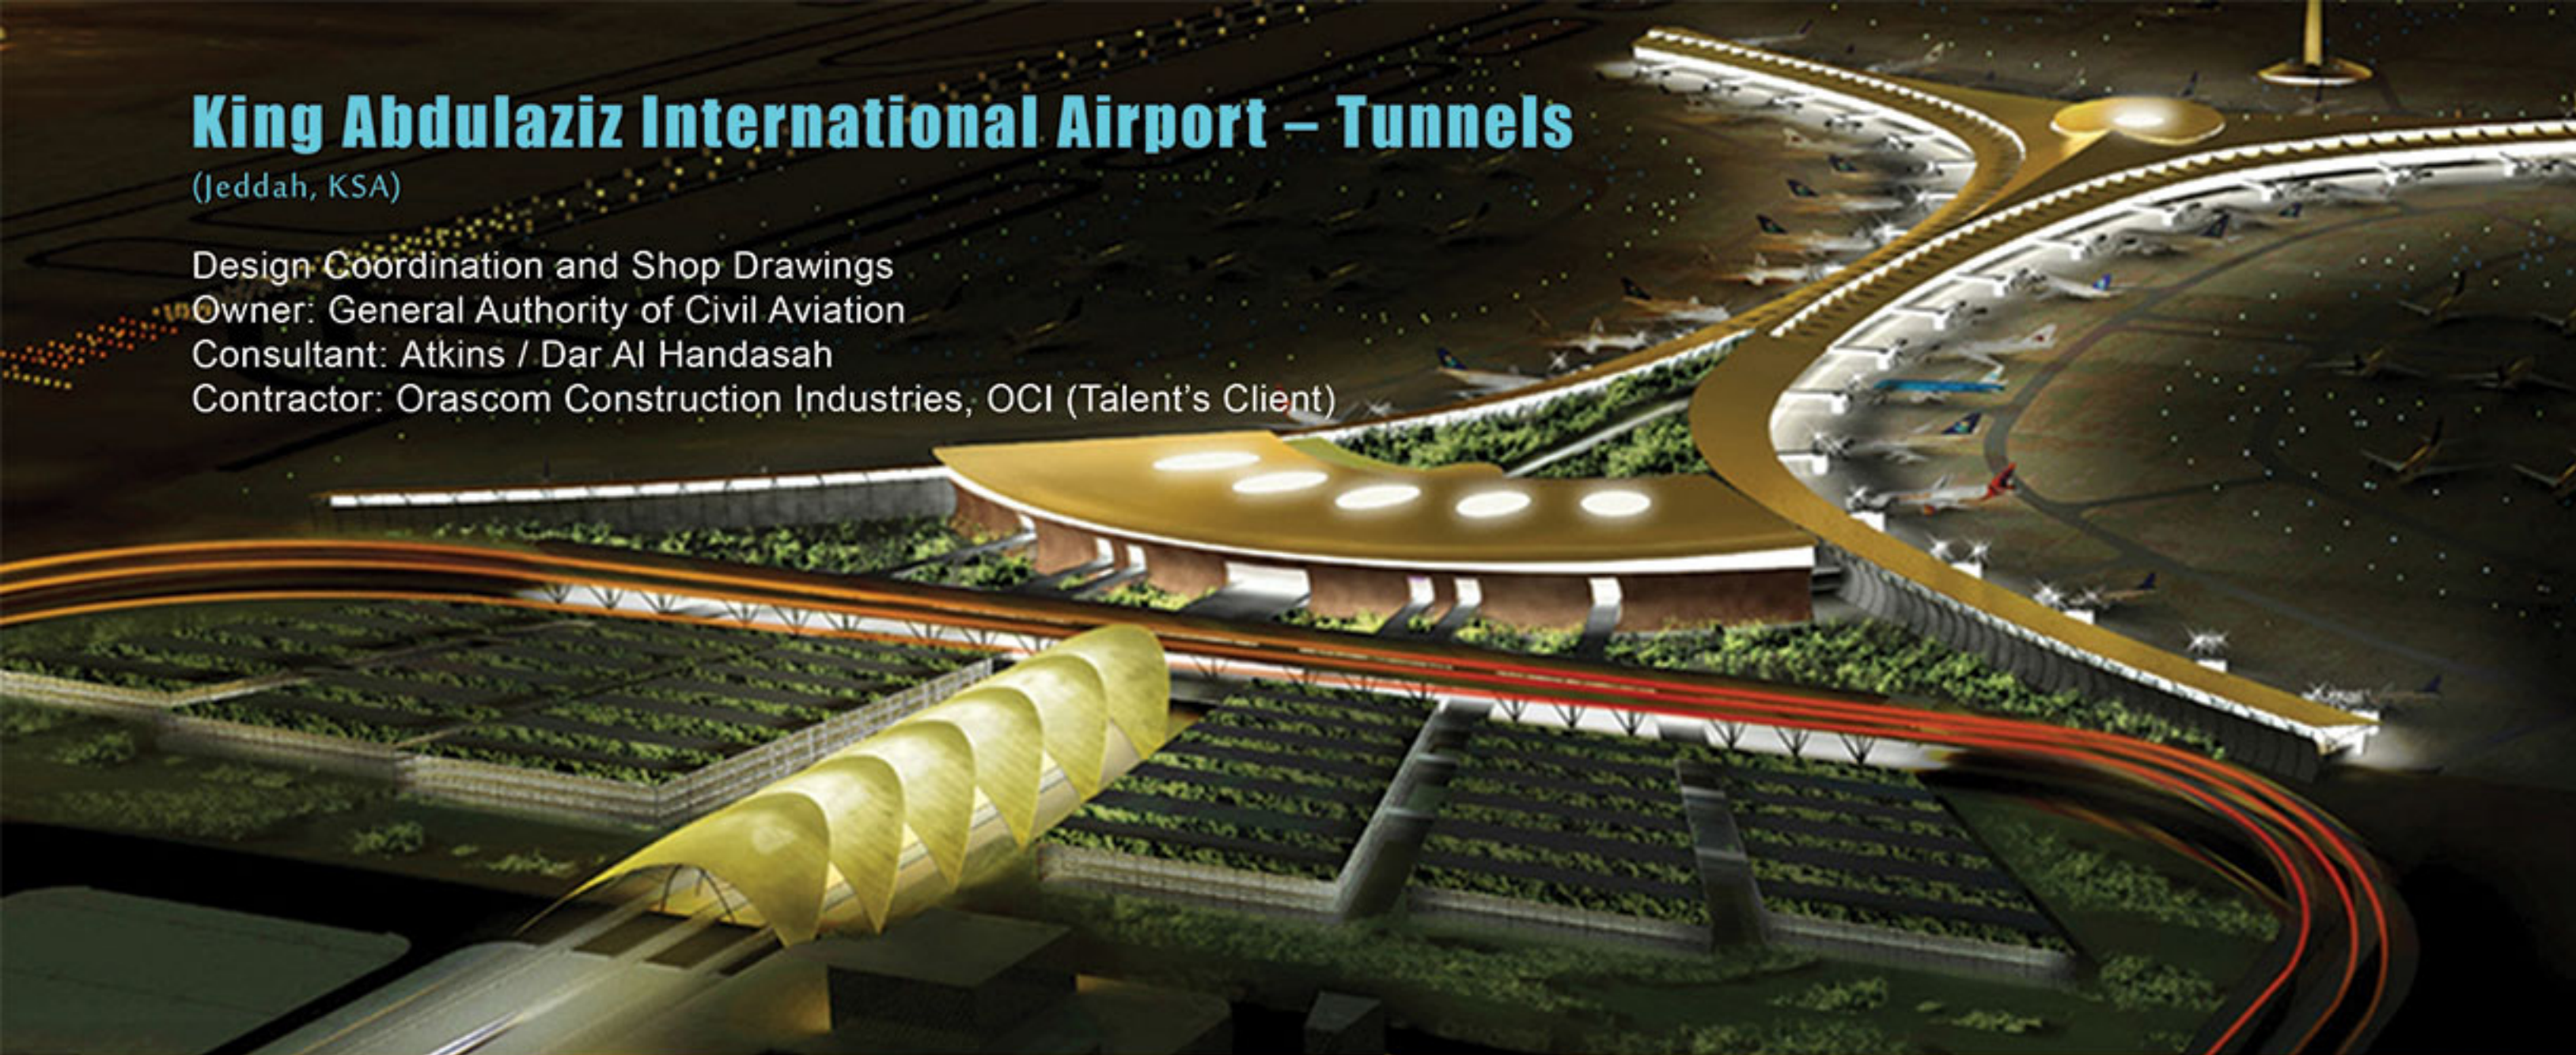

(Jeddah, KSA)

Design Coordination and Shop Drawings

Owner: General Authority of Civil Aviation

Consultant: Atkins / Dar Al Handasah

Contractor: Orascom Construction Industries, OCI (Talent's Client)

Dubai Metro Main Depot

(Dubai, UAE)

Design Coordination and Shop Drawings

Owner: Government of Dubai, Roads and Transport Authority

Consultant: Systra

Contractor: Kajima / Yapi Merkezi / Obayashi JV (Talent's Client)

Doha Metro, Redline South Elevated Bridges

(Doha, Qatar)

Design Coordination and Shop Drawings

Owner: Qatar Rail

Consultant: TYP SA / EHAF

Contractor: FCC, Yuksel, Archirodon, Petroserv, "FYAP_JV" (Talent's Client)

Dubai World Central INT'L Airport's Car Park

(Dubai, UAE)

Design Coordination, Shop Drawings
Owner: Government of Dubai
Consultant: Dar Al Handasa
Contractor: M.A Kharafi & Sons (Talent's Client)

Suez Power Plant

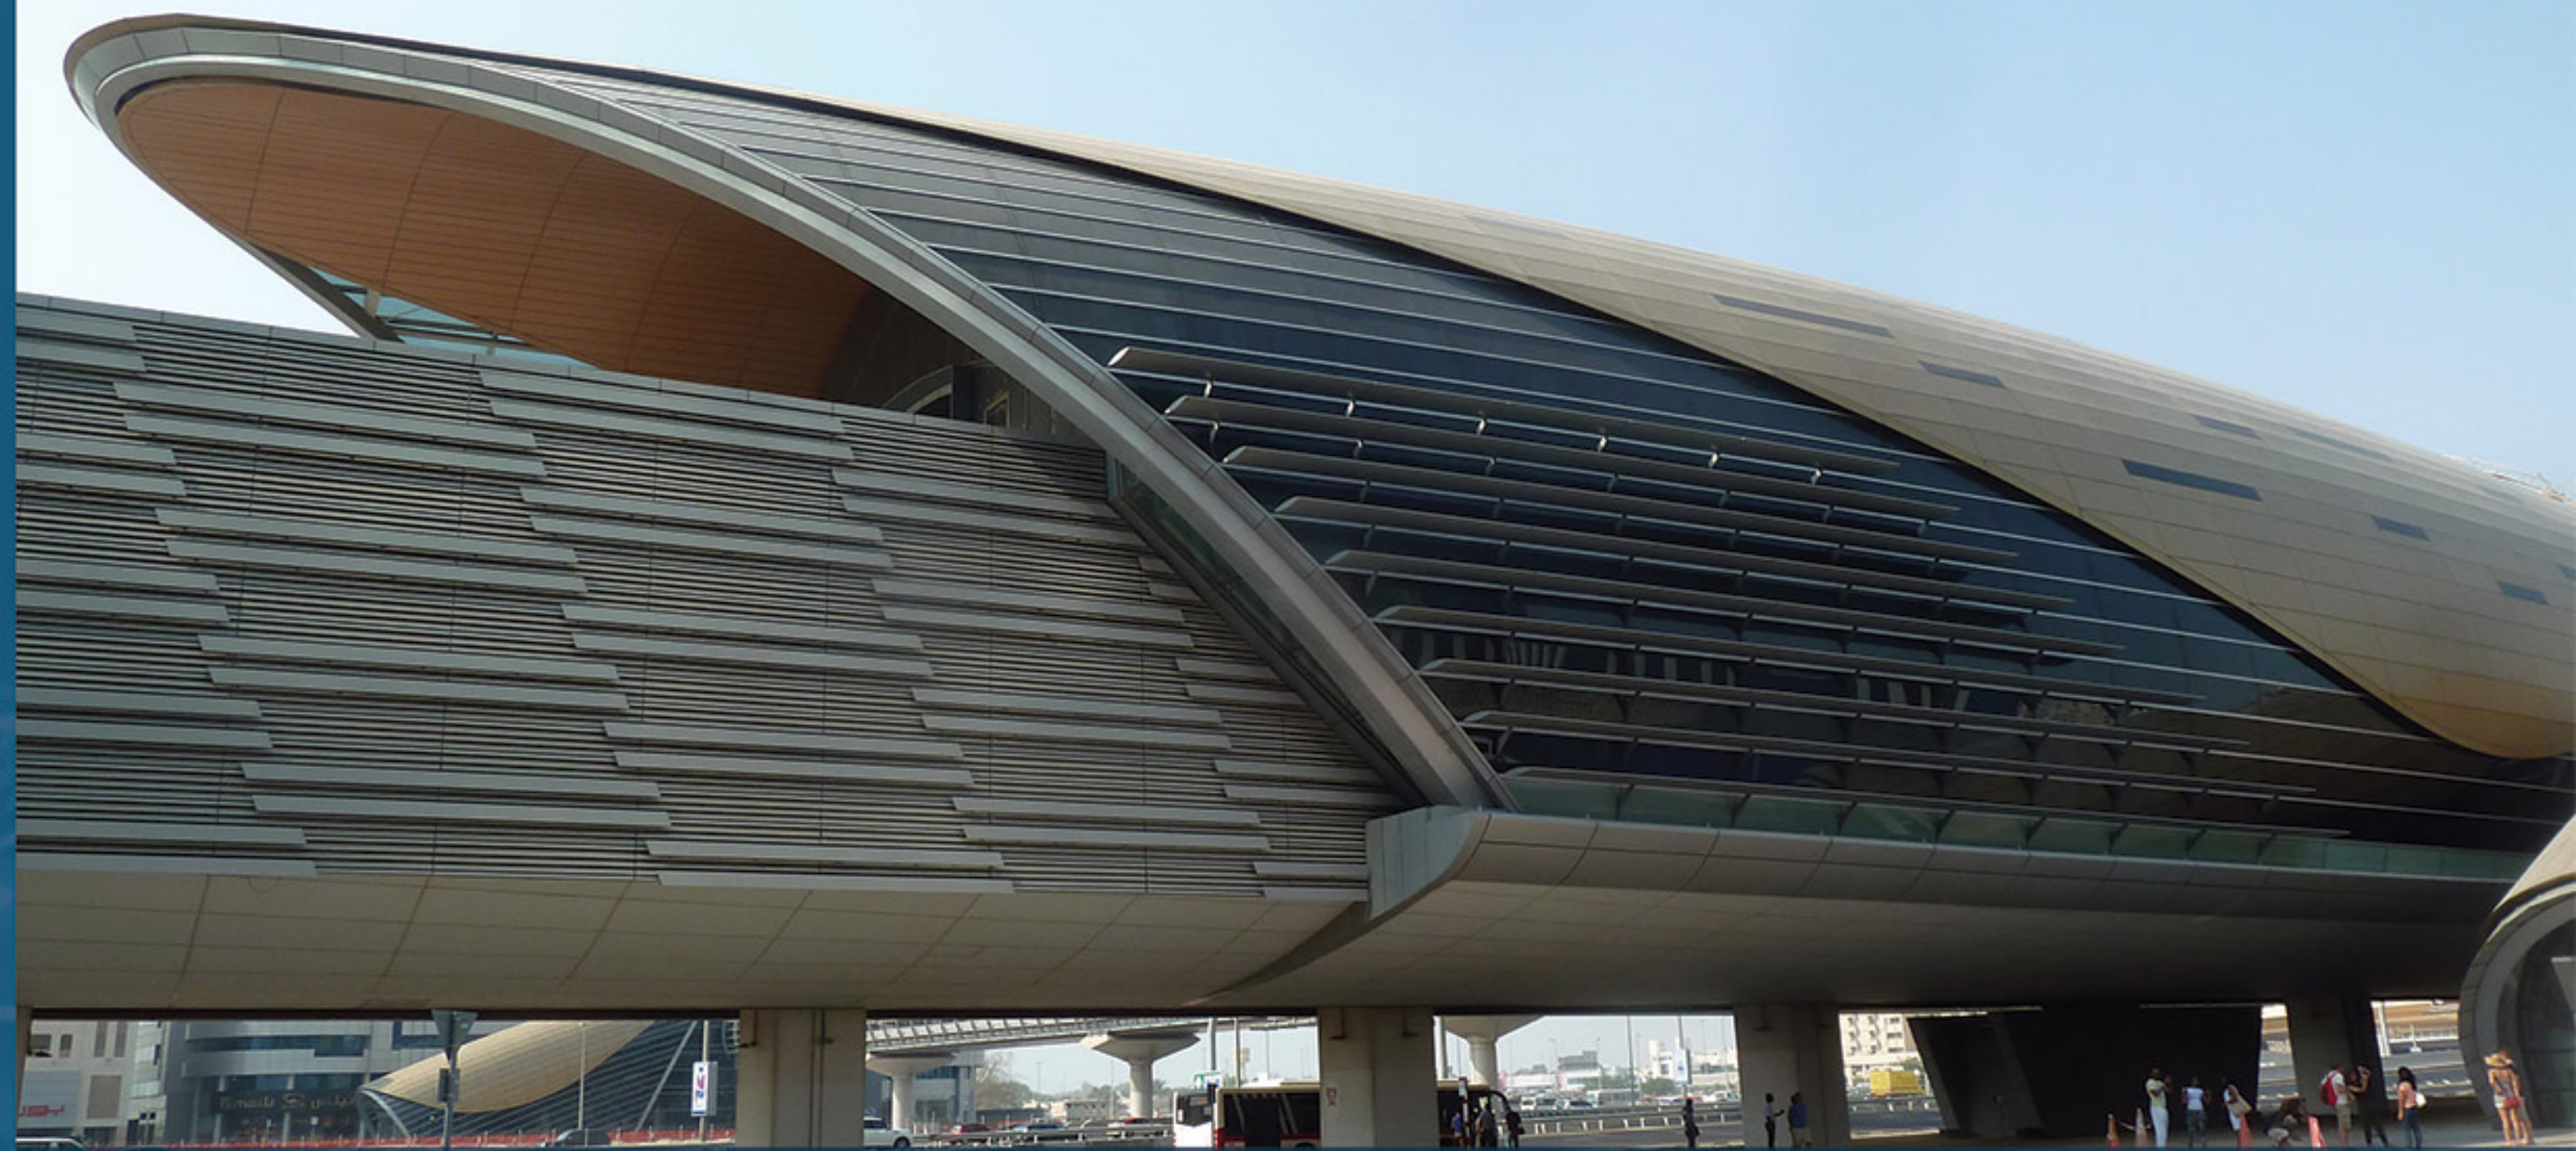

(Suez, Egypt)

Design (MEP)
Owner: Suez Gulf Development Company
Consultant: EL-Wadi for Integrated Systems
(Talent's Client)
Contractor: N/A

Dubai Metro Over Ground Stations

(Dubai, UAE)

Design Coordination and Shop Drawings
Owner: Government of Dubai, Roads and Transport Authority
Consultant: Systra
Contractor: M-10 Builders (Talent's Client)

Cooling Plant at Lusail

(Lusail, Qatar)

Design Coordination and
Shop Drawings
Owner: Marafeq Qatar
Consultant: AEB
Contractor: BUTEC (Client)

Cairo Airport Terminal

(Cairo, Egypt)

Design Coordination and Shop Drawings
Owner: Cairo Airport Company
Consultant: ECG / ACE (Talent's Client)
Contractor: TAV Construction

Zafarana Wind Park

(Cairo, Egypt)

Design (Structure)
Owner: New and Renewable Energy Authority
Consultant: EGECE - Egyptian Group for
Engineering Consultation
Contractor: Gamesa (Talent's Client)

Port Said East Port - Quey Wall

(Port Said, Egypt)

Design Coordination, Shop Drawings and Site Technical Support
Owner: Egyptian Government
Consultant: Hamza Associates
Contractor: Arabian International Co. / Rodio JV (Talent's Client)

Comprehensive Improvements of Parallel Roads

(Dubai, UAE)

Rebar Shop Drawings

Owner: RTA

Consultant: Parsons International

Contractor: Madar Steel Industries LLC (Talent's Client)

New Cairo Waste Water Treatment Plant

(New Cairo, Egypt)

Design Coordination and Shop Drawings

Owner: Egyptian Ministry of Housing

Consultant: Cairo Consult

Contractor: Orasqualia (Talent's Client)

Basrah Water Supply Improvement Plant

(Basrah, Iraq)

Design (Structure & Non-Process MEP), Detailed Design, Design Coordination, Shop Drawings and As Built Drawings

Owner: Ministry Of Water, Iraq

Consultant: NJS

Contractor: Arab Contractors (Talent's Client)

NDIA (Crew Terminal, Control Tower/Facilities)

(Doha, Qatar)

Design Coordination and Shop Drawings

Owner: New Doha International Airport

Consultant: KEO / Khatib & Alami / Overseas Bechtel International, OBI

Contractor: CCC & JTC “ 2 separate packages ” (Talent's Clients)

Development of Muscat INT'l Airport

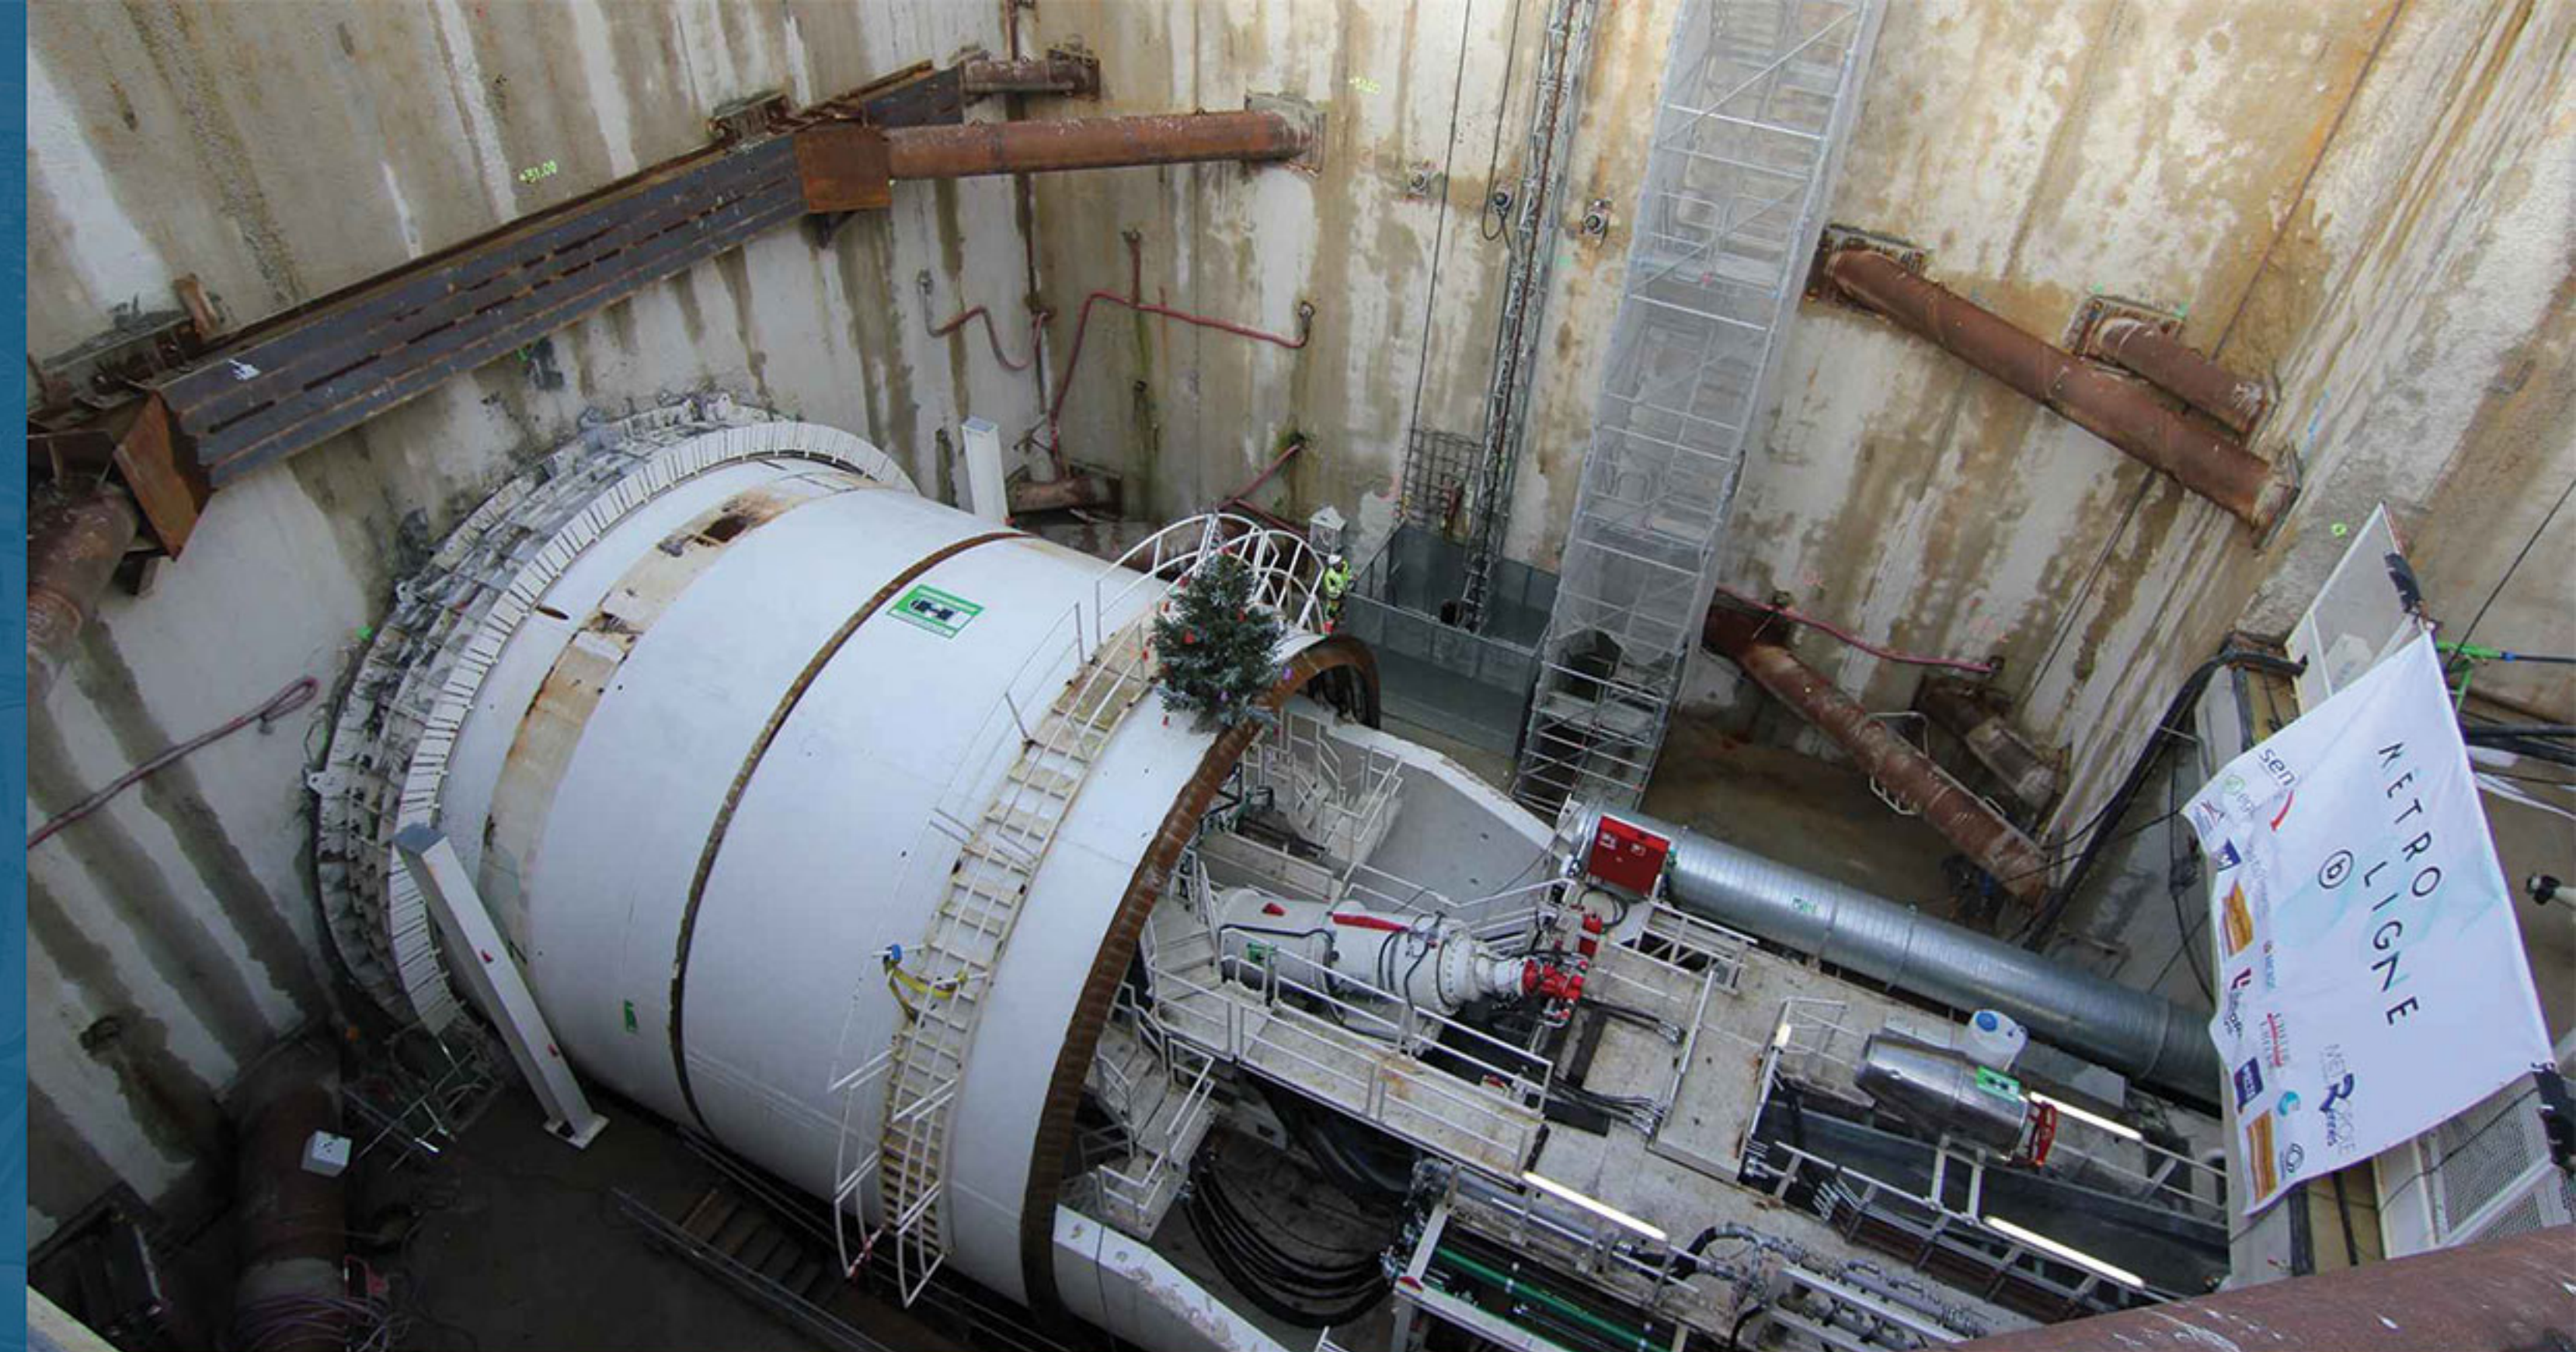

(Muscat, Oman)

Design Coordination, Shop Drawings and Site Technical Support

Owner: Ministry of transport and Communication, Oman

Consultant: COWI

Contractor: CCC / TAV Constructing, JV (Talent's Client)
